

# The Wanamaker Store.

## A New Chapter in An Old Story

PRIDE of place this morning to the eminently practical matters of Hosiery and Underwear. Let the gayer stocks find their places in the news below.

Our method of buying and importing hosiery and underwear is an old story to you. We have told you so many times of the way in which we buy from the mills themselves, and import straight from mill to counter, that you would probably be weary of hearing it if it didn't point a fresh economy at every repetition. We claim no monopoly of the method. It is followed by many large stores. We differ only in doing more of it.

We are the largest retailers of this class of goods in this country, and believe that we are the largest in the world. Not a boast, an argument. Being such, we can buy largest, hence best, hence cheapest.

Seventy-five per cent. of all our hosiery and underwear is made expressly for us. They are "Wanamaker" goods. Our qualities may be, and are, equalled in many competing lines. But the cheapness of our prices on them cannot be, and are not, duplicated.

Spring assortments are complete. Test our statements by these:—

**HOSIERY FOR MEN**  
A pair for 50c—Fine gauge, fast black cotton, all black in three weights, black with white stripes, black with white stripes, black with white stripes, black with white stripes. Would be splendid value at half price.  
At 25c a pair—Fine gauge, fast black cotton, all black in three weights, black with white stripes, black with white stripes, black with white stripes. Would be splendid value at half price.

**Men's Collars**  
Fifteen hundred dozen Men's Collars, some imported, some of domestic make, on sale to-day at fractions of their prices, small fractions. Some of these are regular dollar-a-dozen goods, some of them are styles that retail at \$1.80 a dozen.

Take your choice at

**75c. a Dozen.**  
A half-dozen costs 40c. All sizes from 13 1/2 to 18, but not all sizes in every style.

**Bicycle Trousers**  
350 pairs of very neat Bicycle trousers, in tasteful checks and plaids, with "cuffs" of plain kersey or fancy plaid. Some are \$3.50 sorts, some are \$5. Take the ones you prefer at

**\$2.50 a Pair.**

**50c. Scarfs**  
A repetition of last week's offer;—an offer that made us some of the fastest neckwear selling we ever experienced.

These are fifty-cent qualities, and the patterns are good. It isn't a jumble of ugliness. New goods, in Spring tints and styles that men of taste will appreciate, at half a fair price. A hundred dozen of these only, at

**25c. Each.**

**Men's Spring Oversacks**  
Everything that is new and desirable in these goods is here; coats to suit every degree of taste, and the prices as little as may be for such high qualities. The silk-lined coats begin at \$20.

**Men's Suits**  
Last week we advertised a double-breasted sack suit, made of all wool black chevot. The coat was silk-faced to buttonholes. The lot was sold in two days. By good luck we have secured fifty more, which we offer to-day at

**\$12.**

**Top Coats for Boys**  
A very fine assortment of styles, all most all of which are especially designed and made for us. The feature of exclusiveness peculiar to our lines in ready-to-wear garments for men and women enters largely into the boys' lines also.

**Boys' Clothing**  
Here's a store brimful of interesting things for boys. All the latest styles and a multiplicity of novelties.

**The Showing of Men's Shoes**  
All ready with a Spring stock of Men's Footwear that deserves your attention if you give any thought to matters of "correctness."

All the new conceits in leather and color and shape that have been marked "approved" by those whose approval settles styles. A splendid stock. A larger variety and better shoes for the money than we have ever carried, and we have given some notable displays.

Particular men will find here men to attend to them who fully sympathize with all desires for extreme accuracy. This is a Shoe Store that is especially conducted for particular people. That's why they come to us.

**John Wanamaker**  
Formerly A. T. Stewart & Co., Broadway, Fourth Avenue, Ninth and Tenth Streets.

**More News of Tailor-Made Suits**  
There is fresh news every day of these suits. Sometimes there is room to print it, oftener not; but there is always something new to look at and admire, no matter how close your visits follow each other.

Your obvious appreciation of our preparation for you is the best praise you could give us. We think no such business in ready-to-wear costumes has ever been done in America.

But suits and prices like these explain everything:—

At \$100—Of cheviot serge, black and blue, double-breasted, with black and blue stripes, with black and blue stripes, with black and blue stripes. Would be splendid value at half price.  
At \$100—Of cheviot serge, black and blue, double-breasted, with black and blue stripes, with black and blue stripes, with black and blue stripes. Would be splendid value at half price.  
At \$100—Of cheviot serge, black and blue, double-breasted, with black and blue stripes, with black and blue stripes, with black and blue stripes. Would be splendid value at half price.

**Spring Jackets**  
It would be hard to find a more inviting place to buy your Spring jacket than our Cloak Store. And it is quite worth a visit even if you do not mean to buy. At least you can learn what good jacket style is, and see some beautiful things. Jaunty, smart garments, beautifully tailored, at modest prices.

**An Occasion in Short Petticoats and Ends**  
Another of the "Odds and Ends" sales that you have learned to attend promptly and hopefully. There will be no disappointment in this one, unless you are a late comer.

We have taken a few hundred odd Petticoats (short length), in cambric and muslin, and put them all together on a table for you to pick over and choose from.

At 50c. for the 85c. and \$1.00 kinds. At 75c. for the \$1.50 kinds. Second floor, Fourth avenue.

**Bicycle Weather**  
Watch the Wheels come out, under the influence of such air and such sunshine as this! The plants themselves do not throw off their Winter husks and come out from dark corners so readily.

And now, also, the Prospective Purchaser collects catalogues and studies wheel points. We have some of both for him here.

The Prospective Purchaser is a close critic and a careful investor. Right! Look thoroughly into all wheels, the Orient is all the better in comparison.

The Orient Chainless is getting much attention and receiving the unstinted praise of every one who uses it. We have some letters here that simply bubble enthusiasm. Orient prices are \$50, \$65, and for the Chainless (Sager or bevel gear), \$75, \$80, \$85, \$90, \$95, \$100, \$105, \$110, \$115, \$120, \$125, \$130, \$135, \$140, \$145, \$150, \$155, \$160,
